

**National Bid Whist Association
Featured Player of the Month, April 2009**

Patrenia Graham
Atlanta, Ga

Known as “BrownSugar” on the card circuit. I started playing bid whist in college at the tender age of 18. I remember playing all night and just barely making it to class the next morning. Well that much hasn't changed. I still love the game and often play until the wee hours of the night or shall I say morning! I guess I played cards too much because I am currently working toward my BS in Business!

I am a proud mother of two wonderful children, a daughter and a son. My daughter has blessed me with a handsome 4 years old grandson and yet another grandson is on the way – in June! Soon I will be nana to another grandson! I can't wait.

My passion for bid whist speaks for itself. I travel statewide as well as play locally. My heart is always in the game and I love the competition.

I am an active member of the 7 NO! Players of Atlanta. I am also a member of the Best of the Best in Atlanta. I host local weekly tournaments and you can often find a good card game at my house!

Throughout the course of my winnings, I have played with several different partners!

I am a winner! In 2009, I placed 2nd in the NBWA Seagram's Main Event in Atlanta.

I am a winner! In 2008, I ranked 2nd at year-end for the 7 NO! Players of Atlanta where I am an active member.

I am a winner! In 2008, I placed 3rd in the Sharks Inc Friday Nite Special in Vegas.

I am a winner! In 2008, I won the Best of the Best Black vs. Gold trophy where I was the Gold team Captain in Atlanta.

I am a winner! In 2008, I placed 1st in the Sharks Inc. Saturday Nite Fever and also placed 2nd for the Saturday Early Bird in Detroit.

I am a winner! In 2007, I placed 3rd in the Sharks Inc Main Event and also placed 3rd in the Friday Nite Special in Atlanta.

I am a winner! In 2006, I placed 1st in the Sharks Inc Main Event and also placed 1st in the Saturday Nite Fever in Tampa.

If there is a game, then most likely I will be there--- Winning! See You on the Circuit!
