

NBWA Fall Featured Player

Sylvia Scott

Columbus, OH

Ms. Scott has been playing bid whist for several years. Her love of the game began during her early teen years while learning to play the game from her Mom, Stepfather, and Godmother. Love you Mom.

Sylvia is a long standing member of the Columbus Whist Player's Society of Columbus, OH serving in the capacity of Activity and Tournament Director for over 5 years. Sylvia has been traveling on the professional bid whist circuit for 4 years now with her "Road Dogs" Greg Lowe, Usherala Johnson, and "Mary C" Mickles. She lists Los Angeles, CA as the furthest of her whist travel destinations. Her favorite bid whist city is New Orleans, LA. Sylvia names playing pool as a close 2nd to bid whist playing every Tuesday evening during the winter.

As with most bid whist travelers Sylvia has a job that must work around tournaments. Ms. Scott has been employed with a financial services company for the last 8 years.

The CWPS Activity and Tournament Director does not keep track of her bid whist "winnings" stating that, *"It's about having fun with me and meeting new people, but winning is fun too!"*

Congratulations Sylvia from the NBWA.
